Prof. Anja Morawietz, Ph.D., has been a member of the Supervisory Board at BioNTech since 2022. She has been a professor of external accounting and general business administration at the Nuremberg University of Applied Sciences Georg Simon Ohm since 2015. Her research areas are international and national accounting, current developments in corporate governance and sustainability reporting. She also works as a freelance auditor, particularly in audit-related consulting. Previously, she worked for ten years for auditing company KPMG AG, where she conducted audits of annual and consolidated financial statements and advised clients on accounting and regulatory issues.

After training as a bank clerk at Norddeutsche Landesbank in Hanover, Anja Morawietz studied business administration at Goethe University in Frankfurt am Main, where she also completed her doctorate as an external doctoral candidate.
